

City High JV Meet

I loved the way you combined the spirit of competition with fun. You tried new things along with the old and competed well in both. It has been a great season and I thank you all for your participation and contributions to our team. You have helped make us much better than a year ago. I hope to see all the non-seniors back again next February and to all you seniors I wish you the best of luck and a bright future--may your memories of track and field bring you happiness.
