

## 2008 Prairie Relays

**“Grant that I may always desire more than I can accomplish”--- Michelangelo**

**“Pain while competing is only weakness leaving the body”----- Anonymous**

It was nice to get a night without rain or wind. We took advantage of that by getting in a lot of work and turning in some of our best performances. It was also fun to see people in some different roles from the long jump to the 4x400. We now approach the final two weeks of the season. If we view each competition as something precious and we will make the most of it.
