

District Meet, May 9, 2008

Out of class at 1:00 bus leaves at 1:15

“If not you who, if not now when?”----- Robert F. Kennedy.

Last night you answered this question the way it was meant to be answered. Bold print, asterisks and SBs predominate below. We will have a large contingent going to state because of you performances. And yet, we can do even better. Yesterday should give you faith in yourselves to do just that next week in Des Moines. Wash your uniforms and pack your bags, next stop State!
