We had a pretty young group for this meet, but ended up with some pretty solid performances. PR's on the day from Rew and McCurn in the high jump, Fagan and Harris in the 800. We also had a number of people participating in their first indoor meet gain some valuable experience. Hats off to Amanda Rethwisch as well for a heroic effort in the 4x8 and helpful leg in the 4x1 after being sick for an entire week!
