**“Tough times don’t last but tough people do.” ----- A.C.Green**

The weather certainly played a big role yesterday. Despite the elements we competed well although our decision to pull out of the shorter sprint events to prevent injury did cost us the team title. This was a hard decision to make but the coaches were confident it was the right one. The fact that we had any prs or season’s bests is rather amazing but we did in the 400 hurdles and 1500 and my congratulations to Danielle, Izzy and Hannah.
