6. North Scott- 33
7. Davenport North- 23
8. Assumption- 16
9. Davenport West- 14
10. Maquoketa- 3

- A great meet! Just a few of the highlights:
 - 11 first place finishes
 - 3 meet records
We placed in every event in a major invitational for the first time in 6 years!
Got several times that will be close to Drake qualifying marks.

- Not only was this a good meet compared to the other schools this year, but we also made major improvements from last year. We scored 20 more points this year than last year at this meet. We also improved our times/distances in 8 events from last year

- Keep up the hard work. We have only one major test outdoors, and that is Forwald. It will be a tough meet, but performances like tonight show that you are up to the task!!
