A tremendous meet by any measurement. We had people getting pr's in throws, sprints, and distance. Overall, 7-1st and 4-2nd's on the day and a doubling of the 2nd place teams score. The 4x1, 4x2, and sprint Medley relays all ran times that are near the top 50 in the state for VARSITY! The 4x4, currently ranks #39 in the state for VARSITY! This shows that not only is this group of freshman good compared to other freshmen, but you are able to compete with most other teams varsity. Great performance!
