- A tremendous effort coming off of a very tiring Drake Weekend. This was our 12th varsity conference championship in 14 years! It was also the second time in three years we have won both the varsity and JV divisions of the conference. This meet says a lot about what this team is about this year. You have shown at each turn that you are up to any challenge placed in your path. There are only a couple of challenges left (District, CRANDIC, and State). Stay focused and we will remain undefeated at ALL levels for the entire year.
